

FIRE PREVENTION OFFICER

(Competitive Class)

DISTINGUISHING FEATURES OF THE CLASS

This class encompasses a responsible, specialized, non-supervisory position, the major duties of which include performing fire inspections of businesses, schools, and other places of public assembly, and investigating the causes of fires of suspicious or undetermined origin. The incumbent of this class conducts the fire prevention and public fire education program for the department, lecturing on fire prevention and safety, and maintaining all records of fire prevention activities for the department. The employee of this class works independently in most areas, with work reviewed by the Fire Chief.

EXAMPLES OF WORK

Examples listed below are illustrative only. They are not intended to include all duties which may be assigned, neither are they intended to exclude other duties which may be logical assignments to the class.

Performs regular fire prevention inspections of businesses, schools, and other places of public assembly, and gathers information for pre-fire planning purposes. Inspects portable and fixed fire extinguishing systems, and functional aspects of fire detection and alarm systems. Inspects structures for electrical hazards, and storage areas for flammable and combustible liquids, to insure that proper safety precautions are being followed and all applicable codes are being met.

Receives complaints of fire hazards and of code violations and responds according to departmental procedures. Discusses inspection findings with building owner or manager, making recommendations for the correction of fire hazards. Completes reports of fire inspections, recording all necessary information, and outlining conclusions reached and recommendations made as a result of findings. Issues permits required for special occasions or circumstances which may represent fire or safety hazards.

Investigates fires which have occurred within the city and attempts to ascertain the cause and origin. Examines the exterior and interior areas of the fire scene, observing burn patterns, charring, and the direction of fire spread. Searches for, identifies, collects and preserves evidence, and protects the chain of custody for later use in court. Interviews witnesses to fires and interrogates persons suspected of arson. Secures and executes arrest warrants, and testifies in court.

Reviews records and reports which reflect incidents of fire

hazards, and identifies the most important local fire problems for the purpose of developing fire education efforts. Trains fire service personnel and volunteers who participate in the fire safety education program. Writes and delivers speeches and conducts lectures, talks and demonstrations on fire safety topics to schools clubs, or other organized groups. Responds to questions from the public about the department or any related areas of fire prevention services.

Personally completes any forms and records assigned. Documents division activities by compiling, organizing, and analyzing data for fire prevention purposes. Reviews incident reports to determine further action by the fire prevention division is required.

Performs related duties as assigned.
